Tonya,

Well babies, what can O say?! You are such a special friend to me. O know O wouldn't have made it through this year without you. You are the only person who knows & understands the little things about me. Weive shared some pretty radical times. Not to mention "off-the-wall." Boy, get us on the floor & were gone! We made some different cookies too. Let's make a deal... no more running down the Street at night in 0° weather yelling "honey", k. Thanks for helping me through everything. O have to admit we had fun trying to trap George. O know youll succeed in anything you set your mind to. O can picture us each getting "most conceited" our senior year & ending up on the cover of Vogue as "the two latest models to hit New York." Wouldn't it be nice? O'm looking forward to a bitchin' summer! ♡ & friendship always!

In Dedication to
Dr. Jocelyn K. Jensen

Ten years at Eldorado have provided me with a unique opportunity to grow with a new school. The challenges have been numerous. I recall rather well that the vocal music department began with 26 students, and the original *Sounds of the Sun* pop ensemble was called the *Sunsingers.* I taught English Composition for two years until the choirs reached large enough numbers to justify their own existence.

My years at Eldorado have caused me to realize how much I appreciate being a teacher. The students have provided me with challenges, problems, and a genuine warmth reflected in their respect and love. I have continued to grow educationally and many of my students and fellow faculty members assisted me in the completion of my doctorate.

Whatever my life may bring, Eldorado High School is special to me. I have gained far more than I have been able to give and I hope that I will continue to feel that excitement that always seems to come to me when I step into a classroom and begin teaching. Eldorado will continue its growth both in numbers of students and the quality of character they bring into the classroom.

I owe a dept of thanks of Dr. Nils Bayles, Mr. Richard Paulin, the entire Eldorado administration and faculty, and the many students past and present who have assisted me in my growth as an educator. Thank you for this honor. It is deeply appreciated.

Dr. Jocelyn K. Jensen

It never ceases to amaze me, that such high caliber people choose to become a professional educator. The job has very few paydays, financial or emotional, yet this profession is packed solid with talented creative people who could get a whole lot more money and appreciation working in science, industry or the arts. The bottom line though, is that the great teachers, the truly great ones, love it. They love the job. They love the students. It is the professional teacher's tragic flaw, because the public at large and the public education policy makers know we love it, and they have capitalized on this flaw and taken advantage of teachers from the very foundations of American education.

Jocelyn "Kay" Jensen is truly one of those great ones. She has always loved the work and loved the people. She has worked long and tirelessly for the students in the choirs and *Sounds of the Sun.* Her many kind and humane acts have gone virtually unnoticed through the years, but then, she never helped people for the public recognition. Kay has given many hours and days of her life to her profession. The weekend rehearsals, late afternoon and holiday performances, and out of town student trips required uncommon dedication. I know that she has students that are better people for having known her. I know that I am a better teacher, and also a better human being, for having known her and for having had her as a friend. She is truly one of the great ones.

MAKE IT GREAT!

This year's Varsity cheerleaders worked very hard in promoting school spirit. They practiced all summer long, when the squad went to U.S.A. camp all of them won superior ribbons, they also won the spirit stick and they brought the superior throphy back to Eldorado. They support all the football and basketball teams throughout the year. Their dedicated advisor, Ms. Hyatt, is very helpful in making their team a success.

The goal for the 1983-84 songleaders is to put spirit into all the assemblies and games. Eldorado is proud of their songleaders. They practiced all summer long, went to U.S.A. camp, won the spirit stick, and also the Unity award. The squad consists of three seniors and four juniors. They show all the fun they have in being Eldorado songleaders. The squad has been frequently commended on their performances. This is due to the hard work and long hours of practice they put into each dance. The squad performed at the Thomas and Mack center during half time for the Lady Rebels Basketball Team. Mrs. Minser has done alot with the squad and she deserves a special thanks.

J.V. CHEERLEADERS SHOW

Left-right: *Karen Miles, Tammie Sperry, Tonia Beard, Dawn Gustafson, Wendy Taylor, Starr Bunch, Edia Noreiga, and April Mungaray.*

The new Junior Varsity Cheerleaders have done a lot for Eldorado. They have put a lot of spirit in all the J.V. football and basketball games. During the summer they went to the songleading clinic and practiced very hard. At the assemblies they do a great job in getting the sophomores rowdy.

One great team that is rarely recognized is Eldorado's powerlifting team. They have been state high school champions for five consecutive years and are now on their way to their sixth state title. Eldorado has won sixteen dual and invitational championships. Currently holding twenty-four out of thirty-two state records. Many of the lifters are in the top one hundred list in the U.S.A. Our powerlifters have national recognition in *Powerlifting U.S.A.*, which is a national magazine for competitive weight lifters. They are also recognized in *Who's Who*, a book for amateur athletics. These young men practice very hard ten months out of the year. They have never been defeated. In addition, we as a student body are proud of their coach, Ken Trijillo, who was the nineteen eighty-two national champion and is currently ranked in the top ten U.S.A.

COMPUTER CLUB

The computer club was founded to give students a chance to further their computer skills outside of a classroom. The club plans to conduct a field trip to see other types of computer hardware, otherwise unavailable to club members. But if you really want the truth all they do is play games.

The Photo Club is a group of people who are interested in photography and want to learn more skills about the taking and printing of pictures. They go on various trips throughout the year. This includes trips to Armagosa and Corral Pink Sand Dunes. And a final trip in the spring to California.

With the help of their advisor, Mr. Pomeroy, developing skills is as easy as one, two, three. The group has a chance to practice these particular skills when the club meets every Thursday. Certain trips are planned specifically to improve knowledge about the art of taking beautiful pictures, and also knowing how to print them. One special point about this organization is these students will have enough knowledge to get into a career after high school.

FOREIGHN EXCHANGE

I will always remember this year in Las Vegas. It hasn't been easy to get used to the new customs, school, language, and a new family, but I've had so much fun!

I have many friends who have helped me a lot, and I'm going to miss all of them when I go back. This is a great experience, getting to know new people, customs, and also other exchange students from all over the world.

I came from Hermosillo, in the state of Sonora in Mexico. It isn't very far from here. I know I will come back some day to see my American family, and visit my friends. I realize how lucky I am to have a great family in Mexico, and a new family in Las Vegas.

To all my friends, I want to thank you for all your help and great moments we spent together.

I'll miss you a lot!!
Love

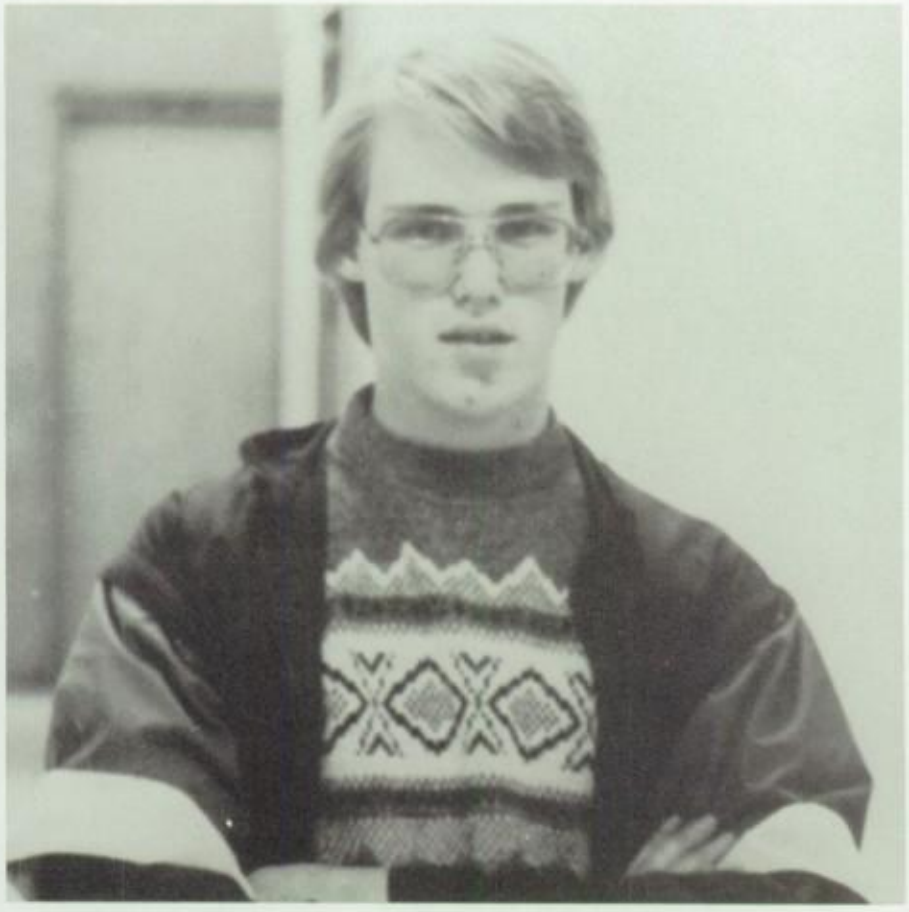
Hi! My name is Jesus Daniel Zavala.

My native country is Mexico. I hope, that in these few lines I can show you all the love I feel toward all the students and faculty of this school. This sophomore year I have had many unforgettable experiences with my new family and with all my new friends. I have come to realize the differences between Mexico and the United States, and the admiration I feel toward all the people who have helped me. One of my greatest joys has been playing with the Varsity Soccer team.

Well, friends this has been a great year! I have learned another language, many new customs and I have met new friends, which I'll never forget.

Thank you for all the help and love you have given me. I wish you all the best in life. Good Luck.

Cordially,
Jesus Daniel Zavala



My name is Christian Reindre Wendt.

I am an exchange student from the capital of Norway, Oslo. My stay in Las Vegas, Nevada has been great. I've been a lot of places and met a lot of people. I also think that Eldorado is a great school. America is a very nice country and I have enjoyed myself while being here.

Christian Reindre Wendt

Hi, my name is Neil Bell. I'm an exchange student from New Zealand. I'll be staying in the USA for about 3 months. I'll be living with the Jackson family while I'm here. New Zealand is made up of two islands, north and south. I live in the northern part in a little town called Marton about 6,000 people live there. The population of New Zealand is approximately 3 million people. Our country is made up of a lot of trees and mountains, not just desert. Our weather is just the opposite of yours. When you have winter, we have summer and when it is summer here we have winter. We don't have any poisonous animals in New Zealand. My school that I go to is a lot smaller then Eldorado is, it has about 7 to 800 people in it and it doesn't look like a prison. We start school about 9:00 and finish 3:30. We have different sports also. I like playing Rugby, basketball, and softball. I love wrestling too. I like the USA and the people I've met. I also like some of the new foods I've tried. I hope I can come back to this country someday.

This year's band was full of spirit. The Sundevil band promoted spirit and enthusiam at the home football games and also the basketball games. The band performed in parades in state and out of state. They performed at the UNLV band night and half-time show review at the Silver owl. They show their spirit at assemblies and compete with other schools at the band festival for high honors. This year's band has improved greatly since Mr. Beckstead took over the organization one year ago. Thanks to this very special organization, school spirit is easily promoted.

FLAG TWILERS SUPPORTS THE BAND

The Color Guard provides color and excitement to the band performance. Routines are planned to accentuate the high points of the music and band. Music today is more exciting to produce and listen to than it has ever been before. The color Guard will appear at all the performances required of the band and will preform during assemblies. The Color Guard has performed during half time for football games, U.N.L.V. Band night, The Clark County Halftime Review, and went performed in Reno. A very special thanks for all their time and effort.

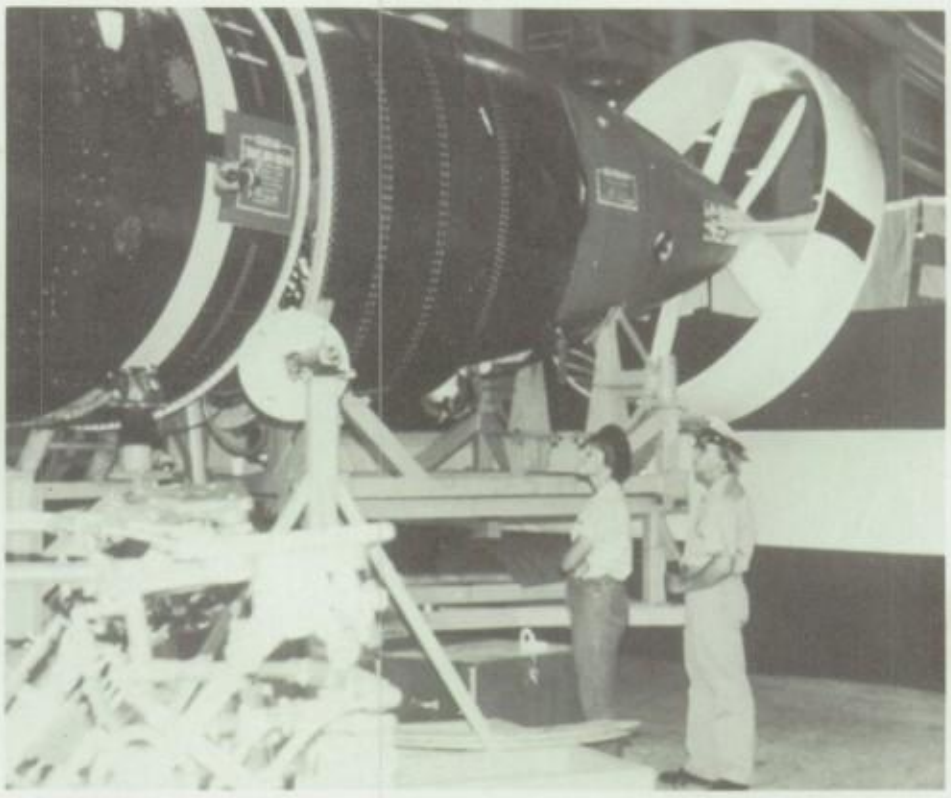
N.J.R.O.T.C. KEEPS

WITHIN THE RANKS



The 83-84 members R.O.T.C. are proud to march in school and town events. The Veterans Day Parade was a great success, thanks to the Eldorado R.O.T.C. Standards set by the officers provide good examples for the younger members.

They help in all of the assemblies by carrying our flags and leading the Pledge of Allegiance. Taking trips and having guest speakers helps them to learn more about the Navy. This training will benefit them with involvement in world events.

A STEP TOWARD STARDOM

Sounds of the Sun have been an active part of Eldorado since 1973. Mrs. Jensen, their adviser, has done a wonderful job at keeping them a large success. Not only do they perform at our school, but they also perform at junior highs, 6 grade centers, and elementary schools. Overall, the group contributes greatly to the reputation started by former Sounds of the Sun members.

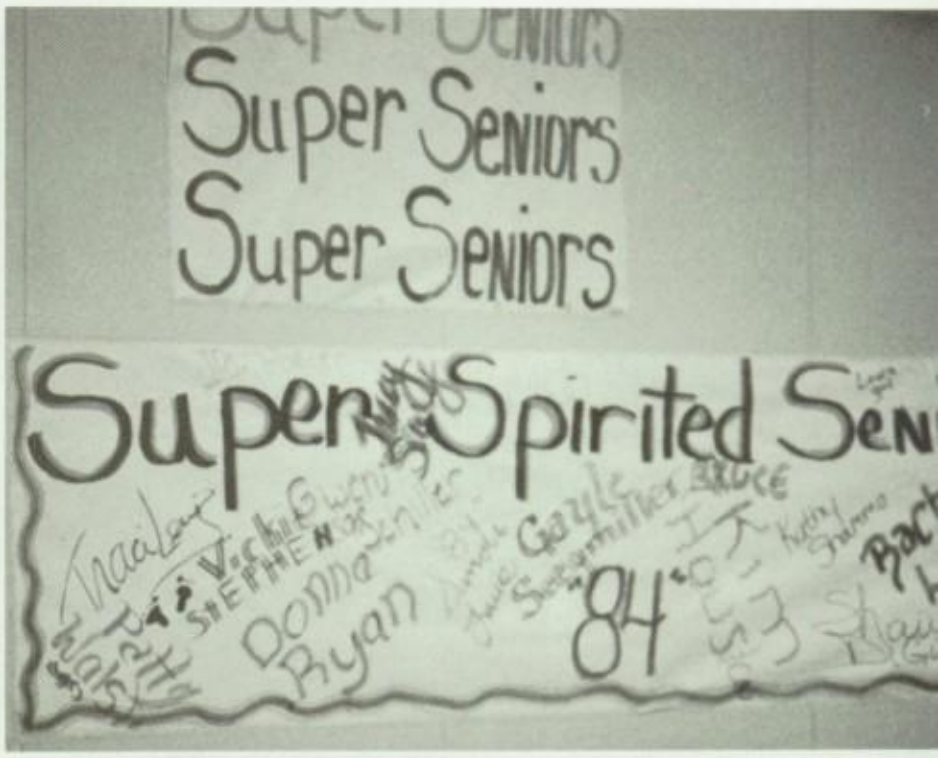
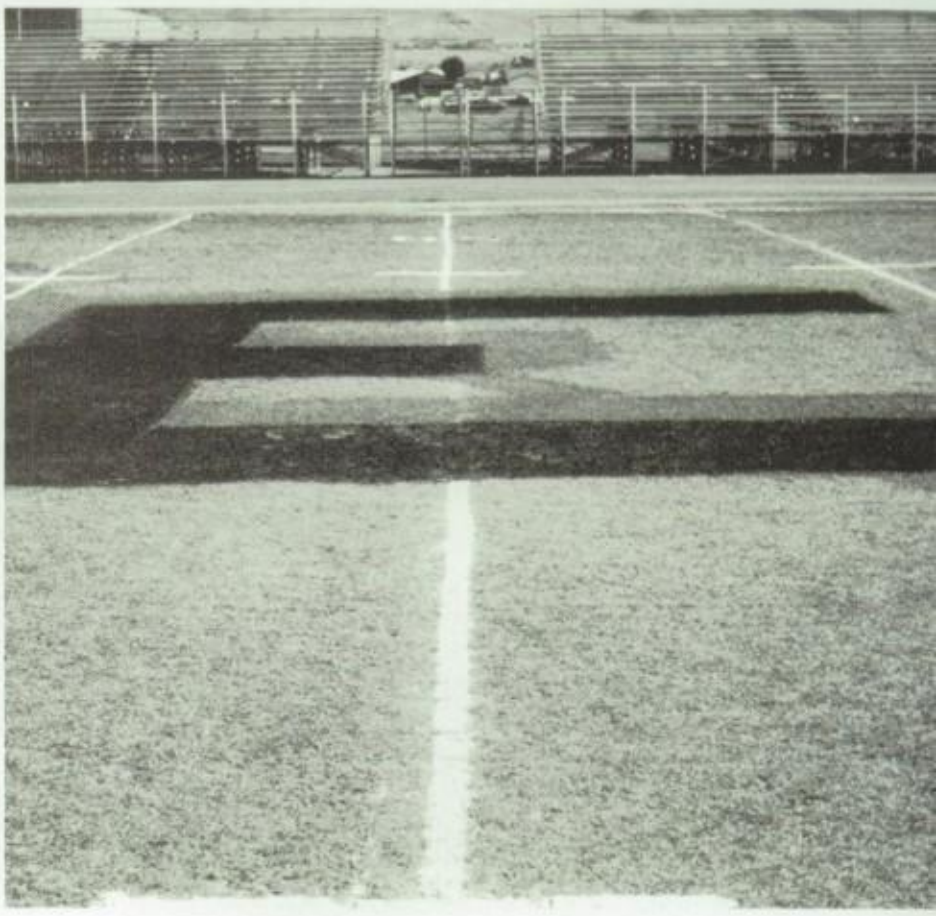
STAR ATTRACTIONS

ACTIVITIES

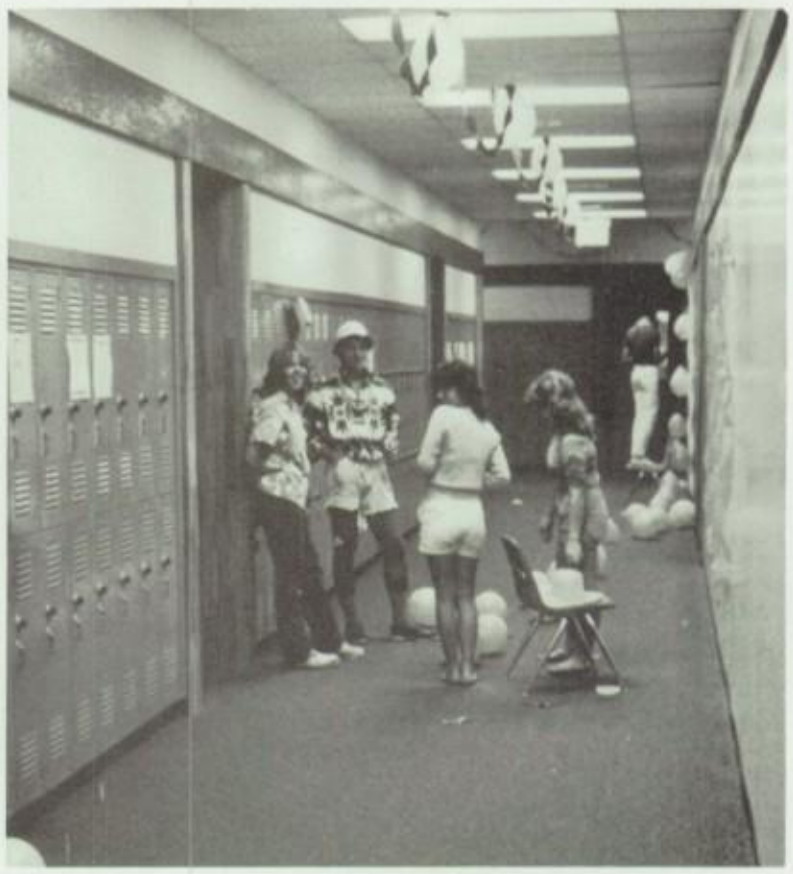
HOMECOMING WEEK



This year's Homecoming Week started off with a bang. The first activity of the week was the dress-up days, such as, Tourist Day, Boy-Girl Reverse Day, 50's Day, and Maroon and Gold Day. Then came the exciting Homecoming Football game against Vegas High, in which we beat them 16-6. During the half-time the sophomore class won the float competition, the honor society won the decorated car competition, and Bruce Oneil and Tracy Story won Homecoming King and Queen. The week was topped of by the Homecoming Dance. The dance was a great success and all who went enjoyed it greatly. Thanks to all the people who made Homecoming Week much fun.



WAS A SUCCESS



SUNDEVIL ROYALTY ASSEMBLY

1983-84

In the past Eldorado has carried through traditions that other classes have left behind. This year's Royalty assembly, in keeping with proud Eldorado traditions, was an event that was carried out with great class and taste. The presentation of the candidates accomanied by "Sounds of the Sun" singing "With You I am Born Again," was an exciting and memorable experience.

1983-84 HOMECOMING DANCE

As the lights went down, homecoming 83-84 became a memory. A memory that will last in the minds of those who attended. The Homecoming Dance was a special night, a night to be "Born Again With You." The night Tracey Sotrey and Bruce O'Neal shared a night together as King and Queen. All those who attended enjoyed the dance tremendously and had a great time. We thank all those who put the time and effort into making the dance a success.

THE JUNIOR-SOPHOMORE TEAM

Since the beginning of Eldorado, it has been a tradition that the game of football be switched. If the girls become football players, it seems reasonable that the boys will be cheerleaders. This remains an active tradition at Eldorado due to the participation of the entire school.

ELDORADO ASSEMBLIES — RADICAL

Eldorado assemblies are full of spirit. Laughter and cheers ring throughout the school. Everyone is smiling and happy, feeling their school pride. Different activities are planned for each assembly, and people are chosen randomly from the crowd to participate. Even though only one person can win each event, a good time is had by all.

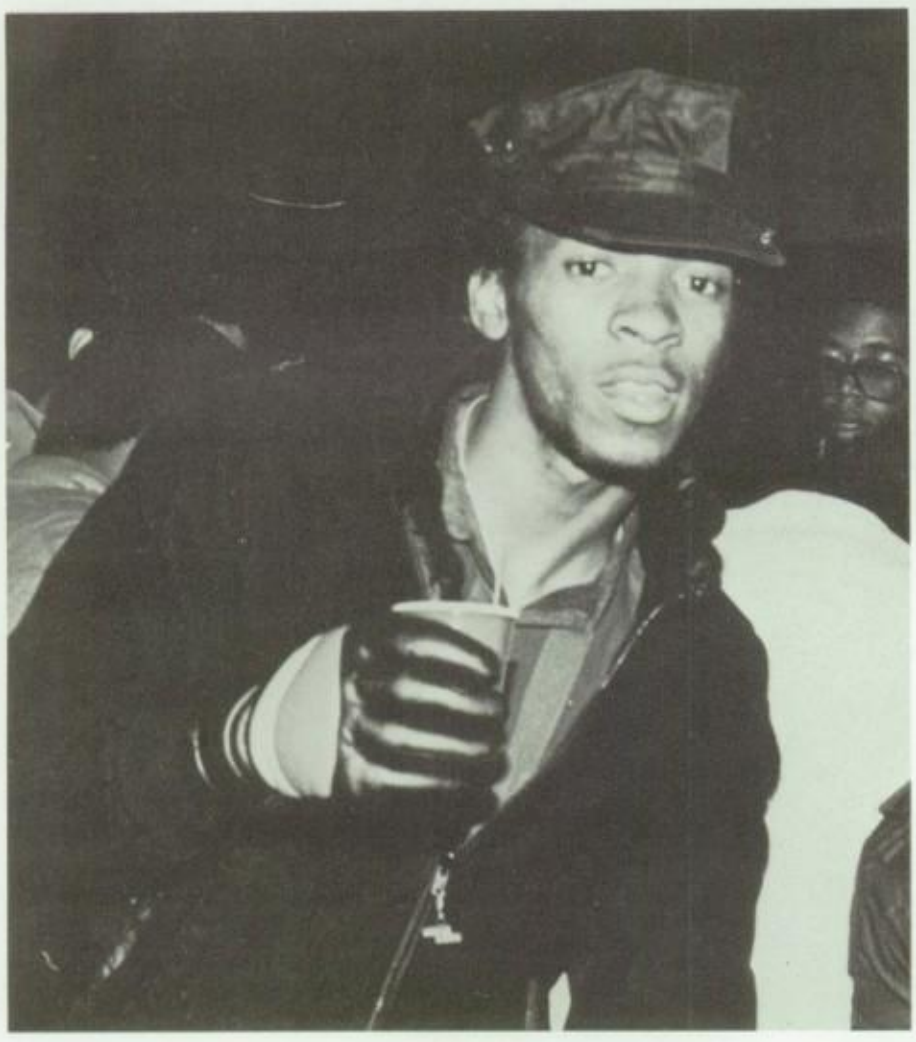
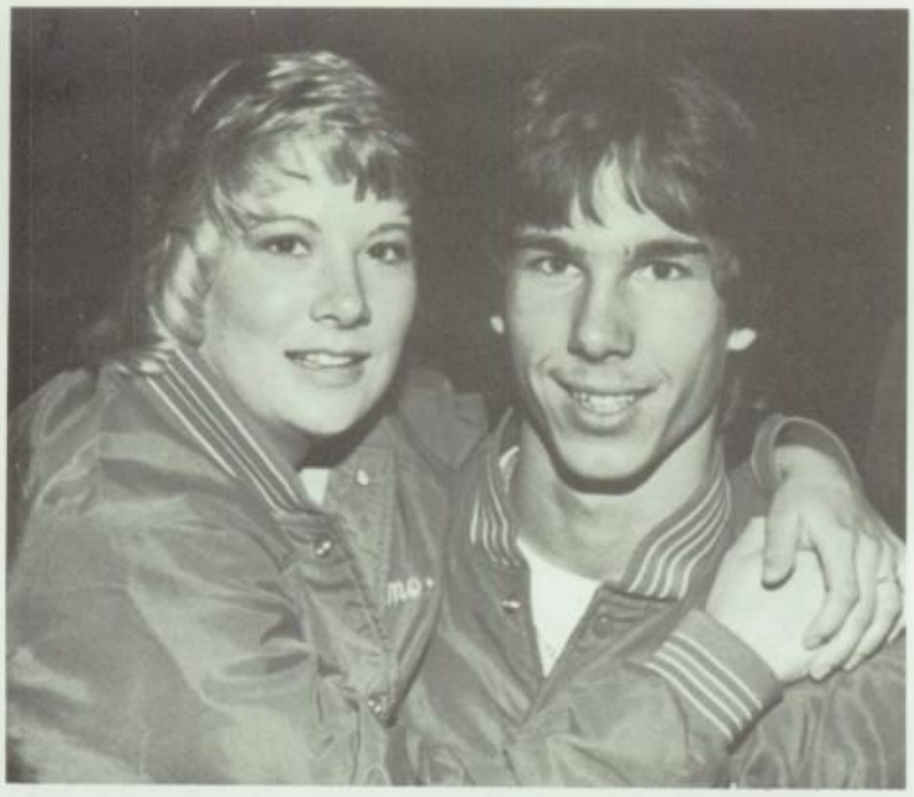
SADIE HAWKINS DANCE



NOT MUCH OF A SWITCH



Sadies Hawkins dance is an event in which a girl choose a boy to take to the dance and maybe out to dinner. At first, the couples my feel a bit strange toward each other. As the night continues, the emotions lighten and a good time is had by all. The music varies from slow-dancing to fast moving rock-n-roll. Any style of dancing is accepted because really everyone is so happy to be there.

This year's Black History Assembly was a tribute to Martin Luther King and all his contributions he has made to his race. The Soul Club's goal was to help all to see the progress blacks have made in society. From the dance to oral readings, everyone could see how man has changed his style and is definitely on his way upward. The assembly was not just for the black community, it also was used to expand all students understanding of blacks, and this opportunity was taken by many. All in all, the Assembly was a great success both culturally and educationally, and was appreciated by all who attended.

It was a heart-stopping moment on the night of October 28, 1983 when the Eldorado Varsity Football Team won back The Cleat! Merlin's Cleat is a bronzed trophy donated by Merlin Olsen, and has been used to represent the rivalry between our school and our sister school, Chaparral. This trophy has been in our possession only once in the ten years of Eldorado's opening.

The Sundevil team will not be remembered for their record, but for their outstanding attitude and effort.

It wouldn't be a complete team without the coaches and team captains. A special thanks to their Managers Gina Perkins and Angela Taylor.

Although this year has been a rebuilding year for the Sundevil boys Varsity Basketball team they have had an excellent season. With the help and guidance of head coach Sherrill Stevens, the team has overcome the difficulty of just four returning lettermen and has won nine out of fifteen games. This year has been one of their best years yet, second only to last year. The team also placed third in the sixteenth Nogals Christmas Tournament and were consolation winners in our own Sundevil Classics.

This years J.V. Wrestlers started off good and continued to be great. With the help of Head Coach Marafino, and Asst. Coach Gutowski, they had a conference record of 9-0 and a overall record of 14-2. They took first place in the Boulder City 8-team Dual Tournament, and first place in the Moapa Valley Invational (8-team). They also had wins over Clark's varsity, Rancho varsity, Mohave's varsity, and Pahrump's varsity teams.

The team practices every day from 2 pm. to 5 pm. in the wrestling room. To become a wrestler, a person comes to all the practices and wrestles in the "Wrestle Off" fo each wieght class. The winner of this goes Varsity and the, and the person who takes second goes J.V. There are some weight classes that have up to at least 6 induals. Competing for Varsity and J.V. positions starts at the beginning of theseason.

The teams owes all to the special help and training of Head coach Marafino, and Asst. Coach Gutowski.

VARSITY SOFTBALL SLIDES AGAIN . . .

The Players, Front row, l to r: *Lisa Campbell, Anna Gliddon, Tina Darling, Michelle Ermi, Gina Martinez, Sandi Laub, and Coach Farnsworth.* ***Back row, l to r:*** *Jul Ybarra, Gretchen Garner, Sherrie Shirah, Angela Jankowiak, Tracy Story, Kim McCarty, Rita Queen.* ***Not Pictured:*** *Eileen Powers and Patti Walsh.*

For his first year, coach Farnsworth has done a fine job turning the team into a bunch of winners. "They are a very competative group of players who should bring a lot of recognition to themselves and the school," was waht the coach had to say about his team. Many hours of hard work and sweating has given the team a championship attitude. Some of the teams outstanding players are: Sandi Laub, Tracy Story, Lisa Campbell, and Kim McCarty. The coach would like to add a special recognition to Gretchen Garner the team pitcher.

18 players make up the J.V. Girls' Softball team. Overall the team has great potential, with a few strong hitters and several good fielders. With practice and more game experience the team should develope into a fairly good unit. Practice should cut down the number of mental and physical errors. The team looks to be strong in the second half of the season. Overall the team has shown great promise and is developing potential as the season progresses.

VARSITY BASEBALL STRIKES

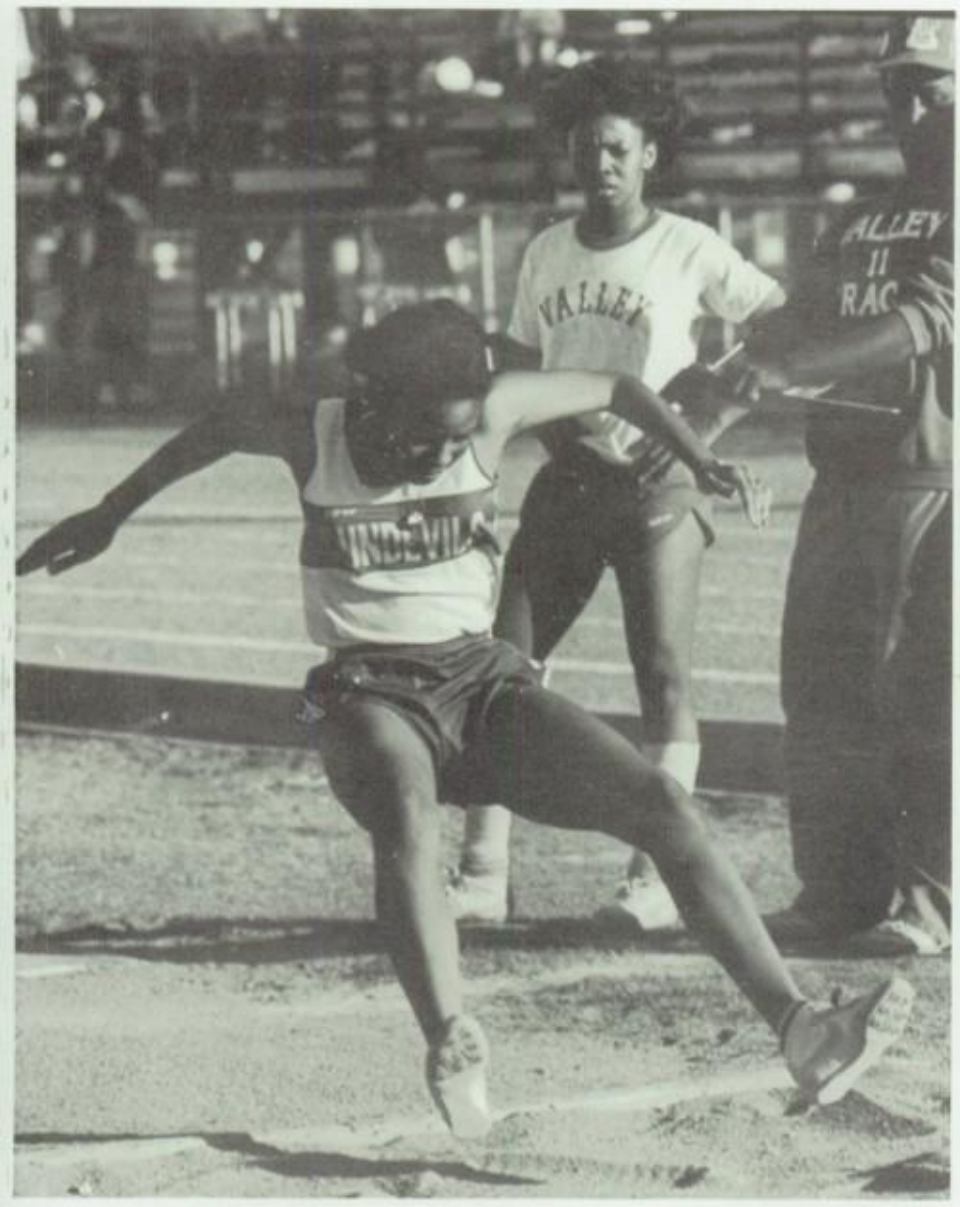
WE SLOW DOWN THE SLOWEST

Eldorado's boys' track and field have really improved this year and they've gone out to prove it. There's jumping higher, running faster, and further as well. Because of the fact that they are working together as one, they will win and loose together as one. Not forgetting who has helped them to become a group of one, their coach Mr. O'Dea has stood behind them all the way and for this they give him thanks.

GO FOR THE GOLD

Top row, left to right: *Karen Theus, Robin Kammer, Sonja Varner, Gina Spiehs, Nina Abram, Maria Battalion, Regina Hector, Coach Johnson.* ***Middle row, left to right:*** *Jackie Gengler, Lisa Gray, Lisa Stepney, Lisa Davis, Linda Porter, Latondia Lewis, Yvette.* ***Bottom row, left to right:*** *Alejandra Enriquez, Germaine Weston, Kathy Smith, Shelly Livingston, Teresa DeLisle, and not shown Tonya Freeman.*



WE NEVER GIVE UP

Eldorado's girls' track and field are hanging in there and trying harder. They have a strong team this year. The girls work with no leaders and no followers, they work together. Just as the boys work as one, the girls also work as one.

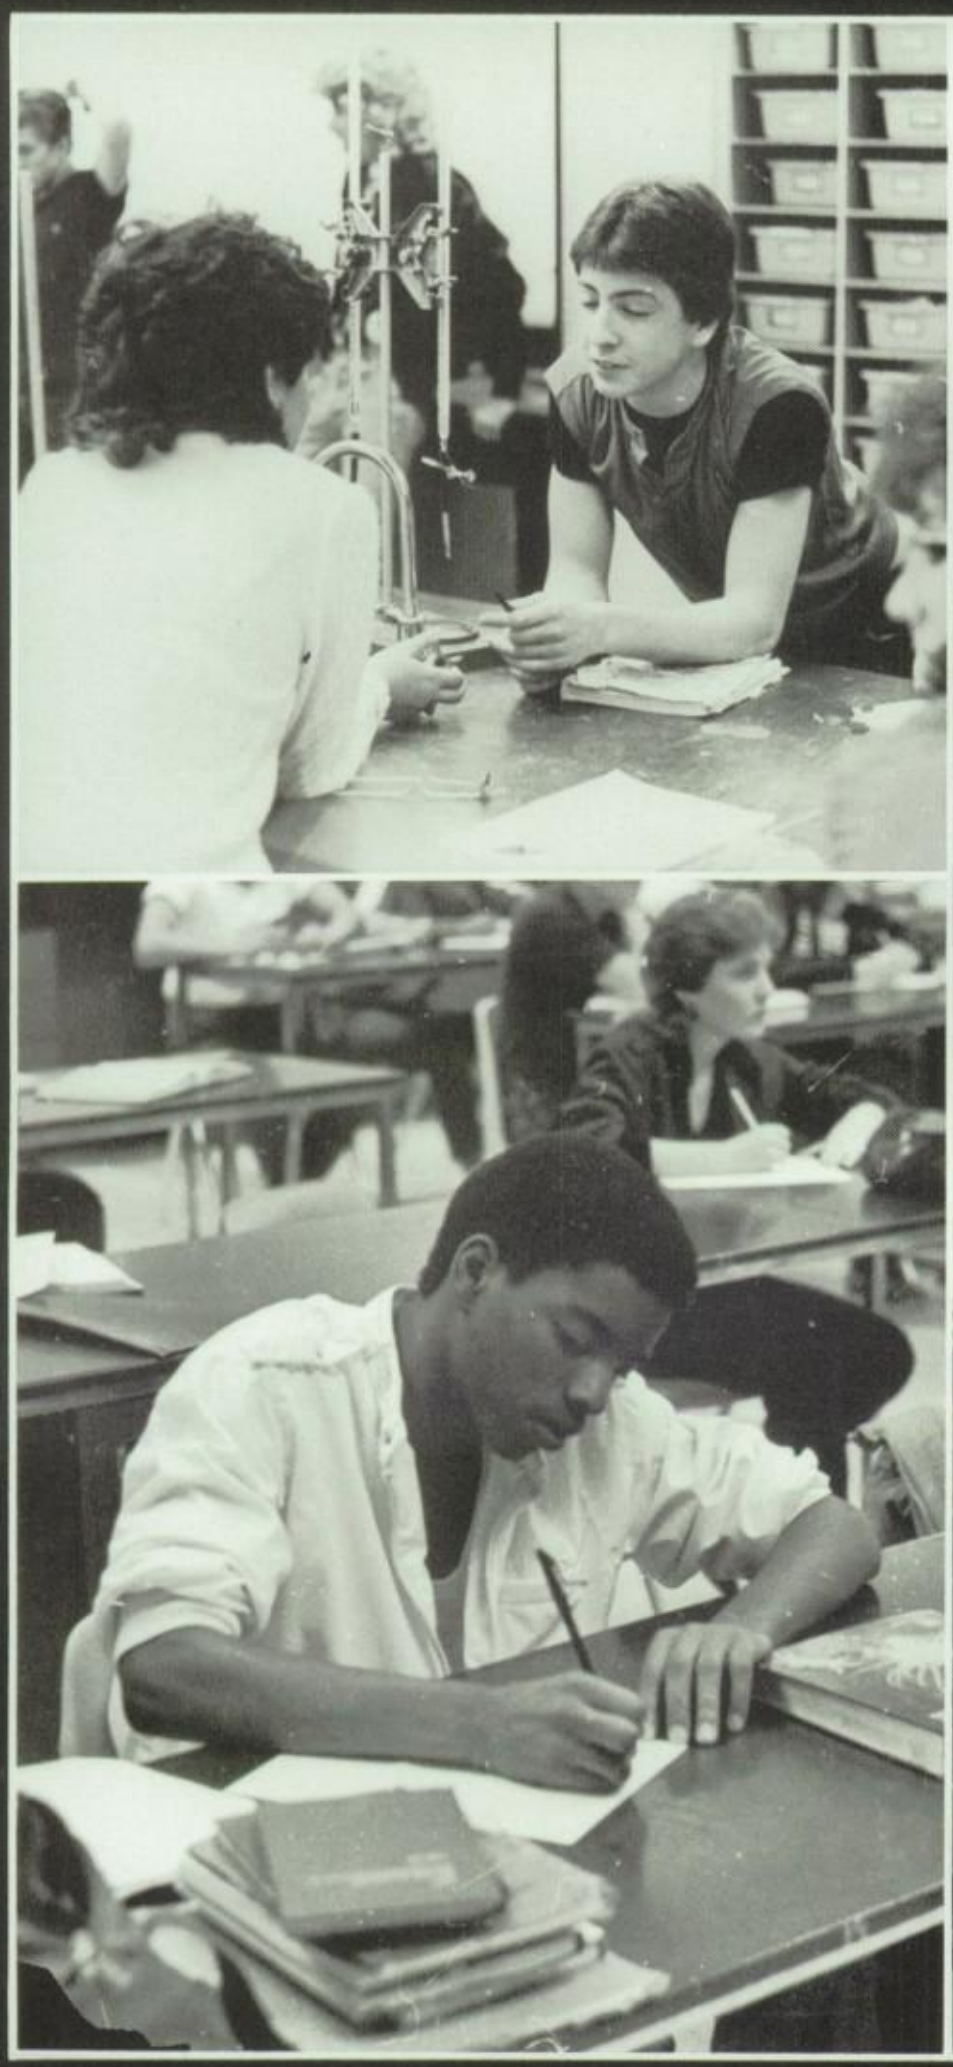
MATHEMATICS AND SCIENCE

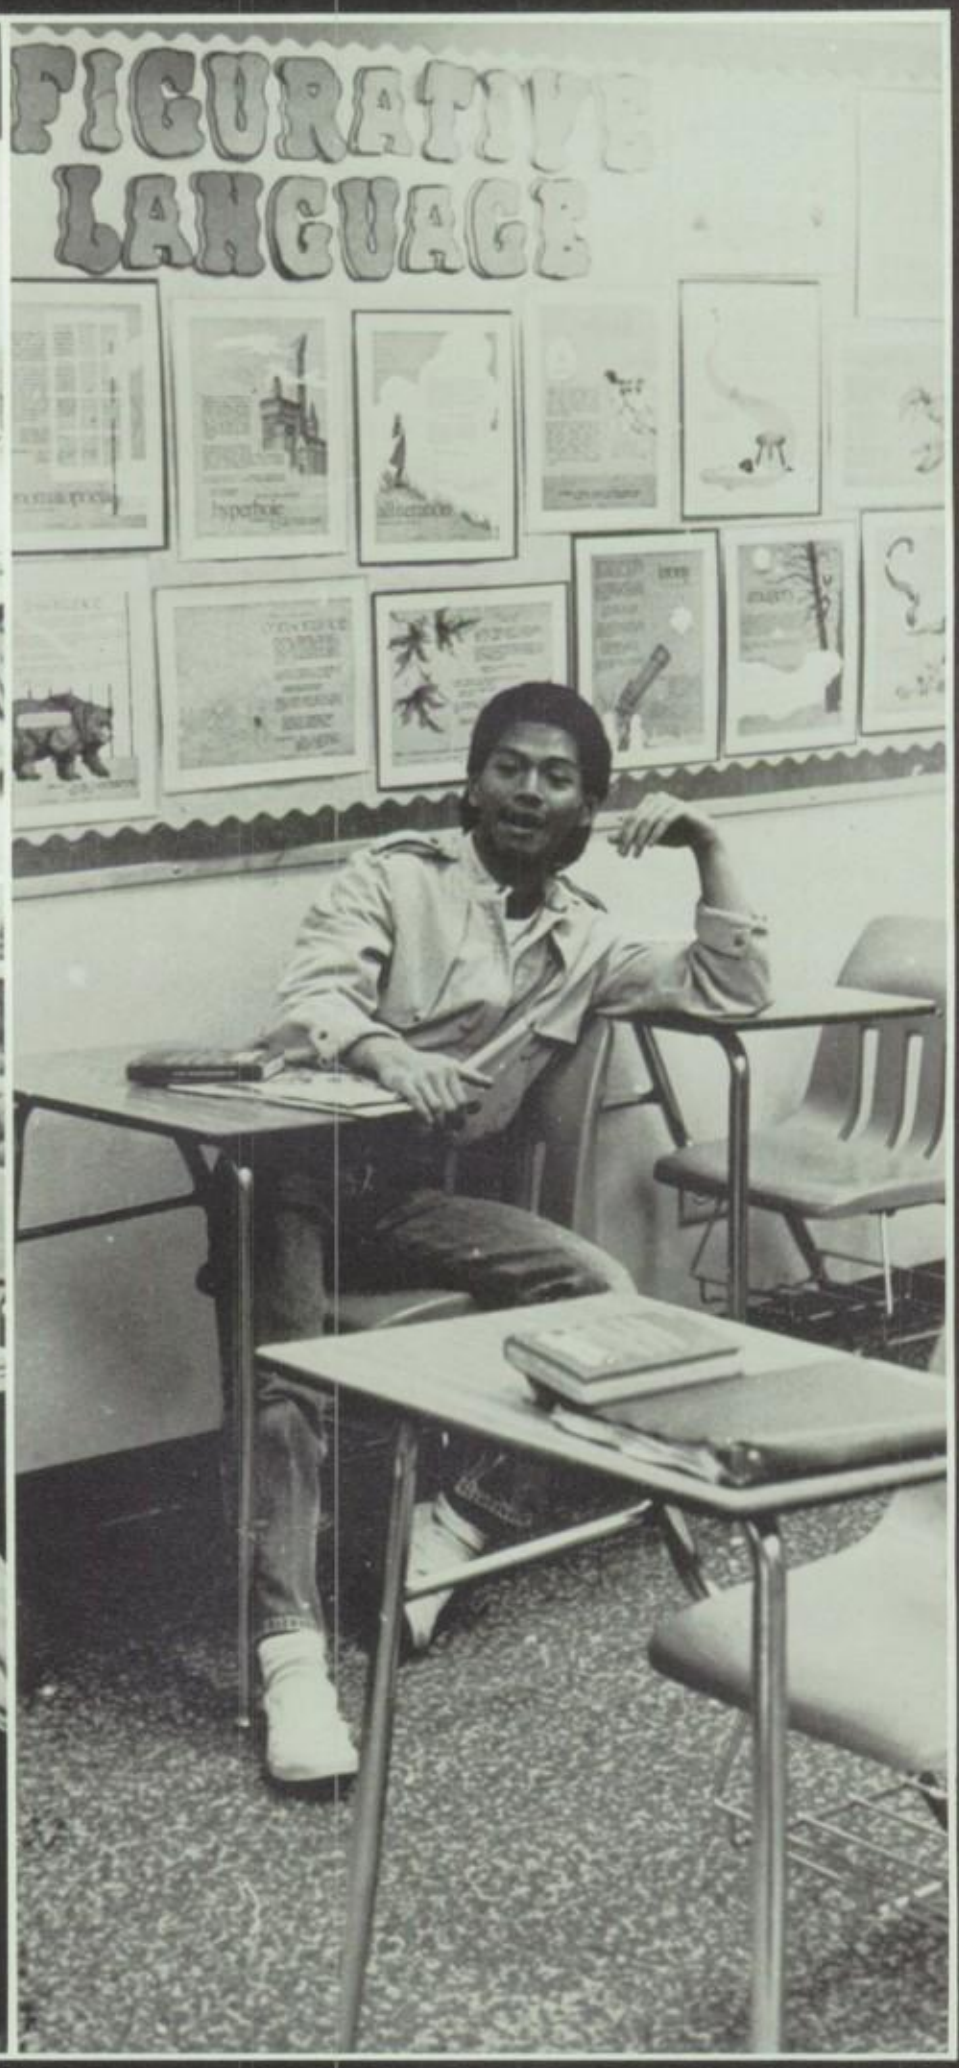
Science can be defined as the knowledge of facts, laws phenomena and causes gained and verified by exact observation, organizes experiment, and exact thinking. The science department at Eldorado High school has a wide variety of classes geared in various areas of scientific learning. Some courses are life science, earth science, environmental science, biology, chemistry and physics. Through these programs students probe the secrets of chemicals and elements. Biology, Chemistry, and Physics require much more attention and time from students in order to comprehend.

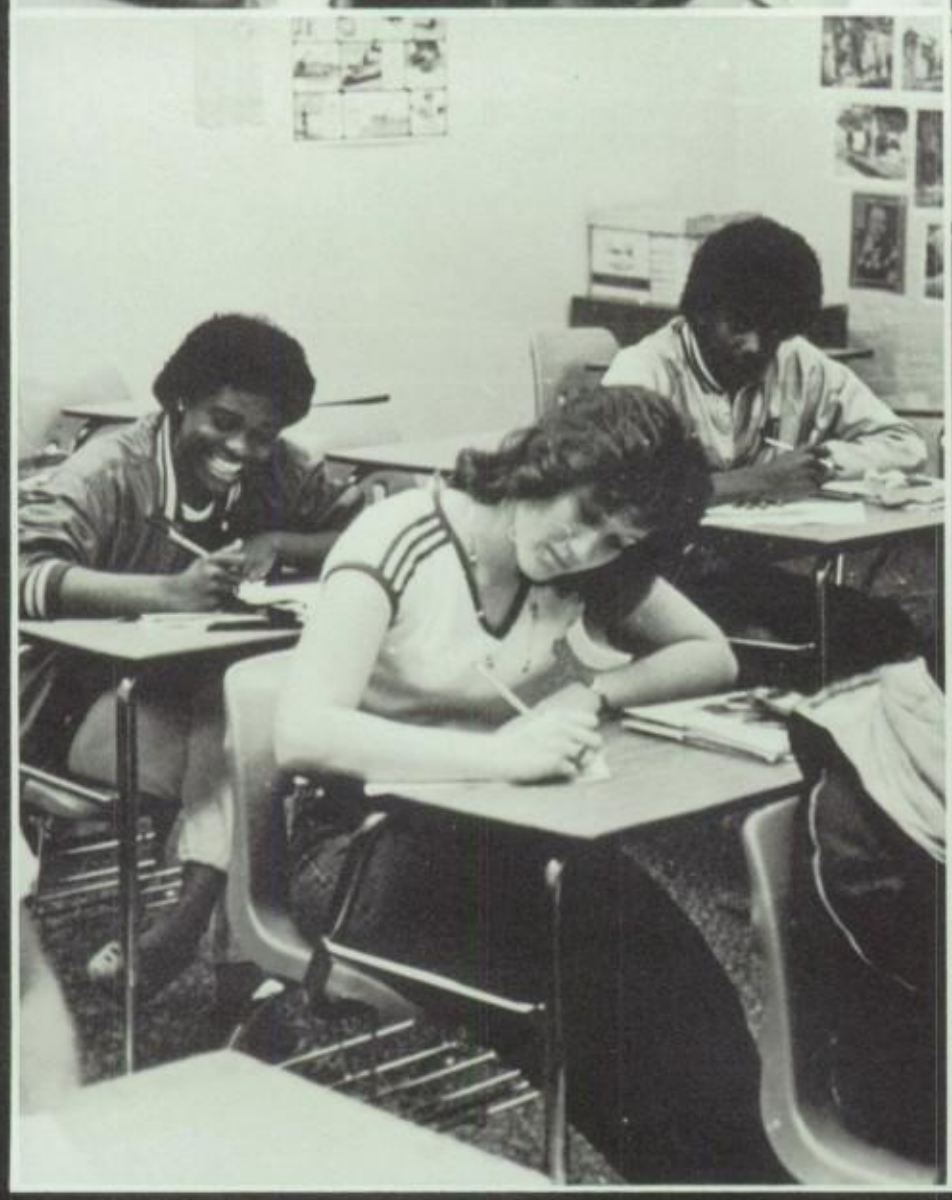


LANGUAGE ARTS

Communications skills are the most significant and basic skills taught in any high school. The ability to read and write effectively is the most common skill that can be applied to all careers and future learning. Great strides have been made at Eldorado High School in improving the individual skills of students, making it possible for all persons to successfully complete in a language oriented world.

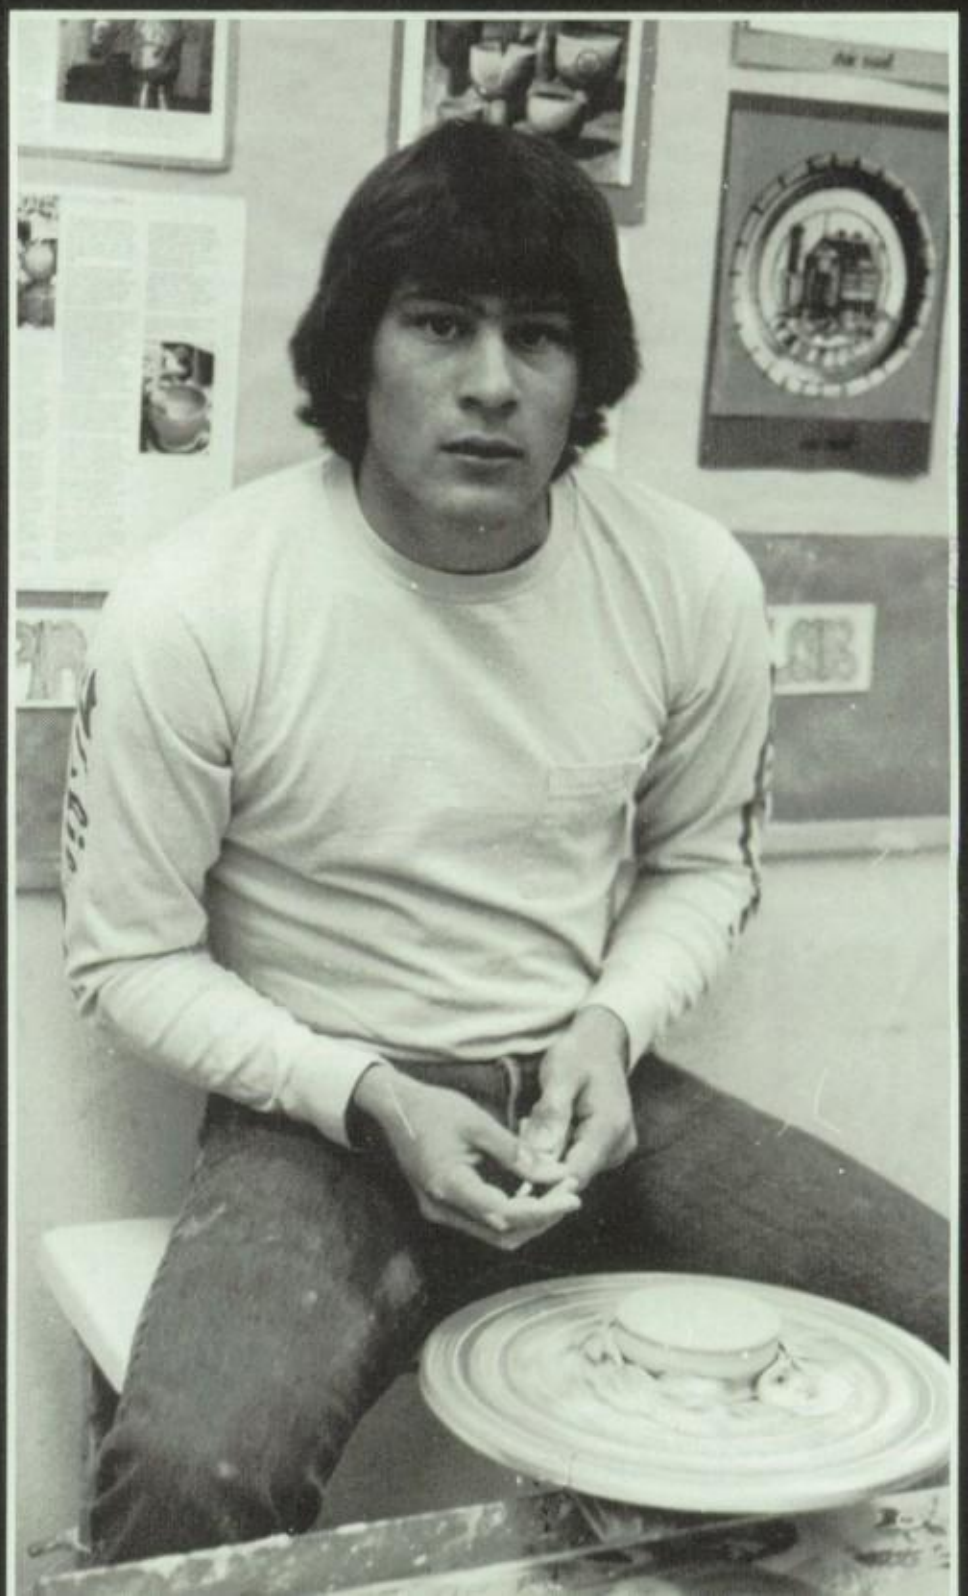
Social Studies are the skills necessary for the individual to understand his environment and his place in history. To maintain a nation that allows great personal freedoms, tomorrow's leaders must know how we got them, and what it takes to keep them.

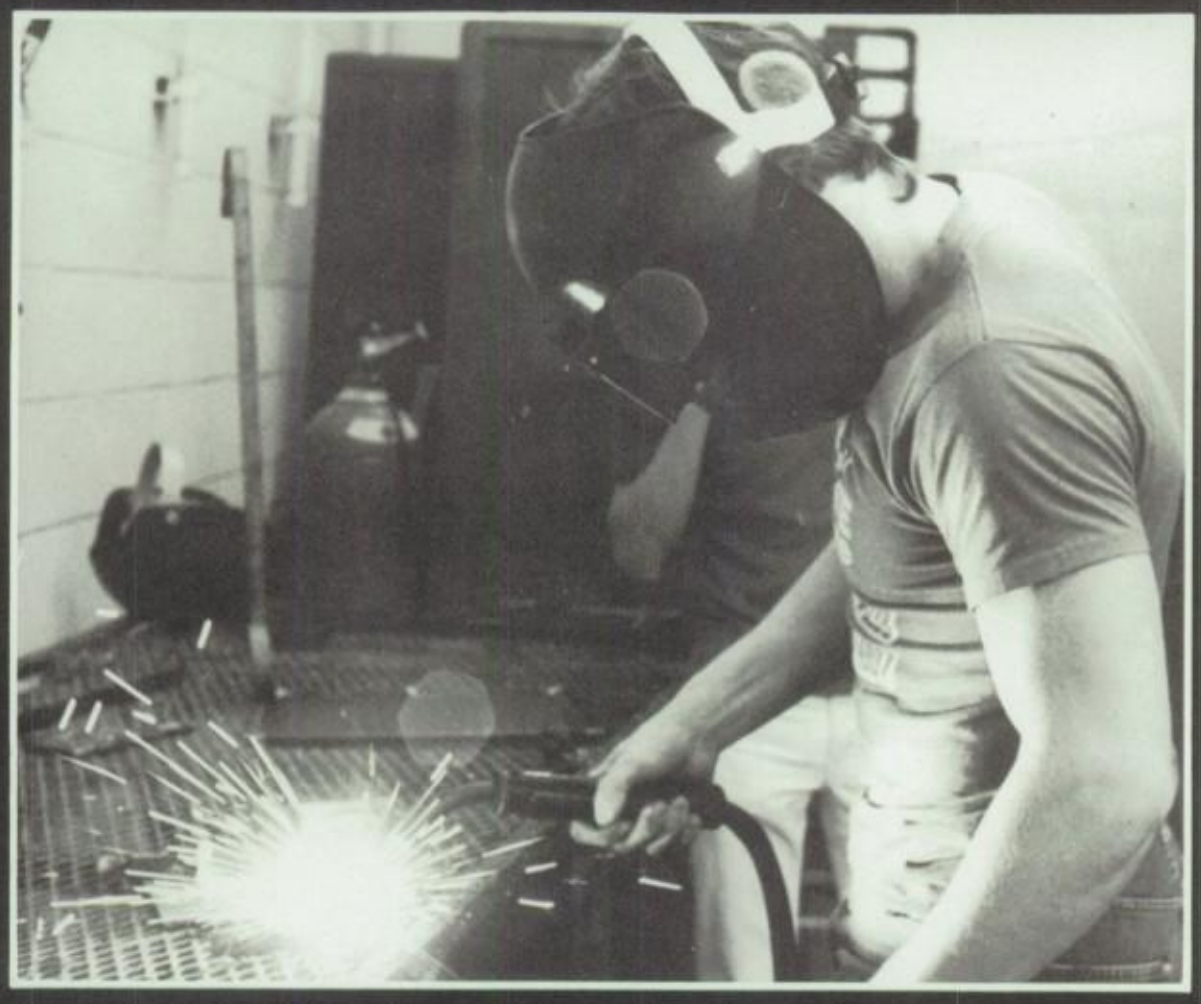




FINE ARTS

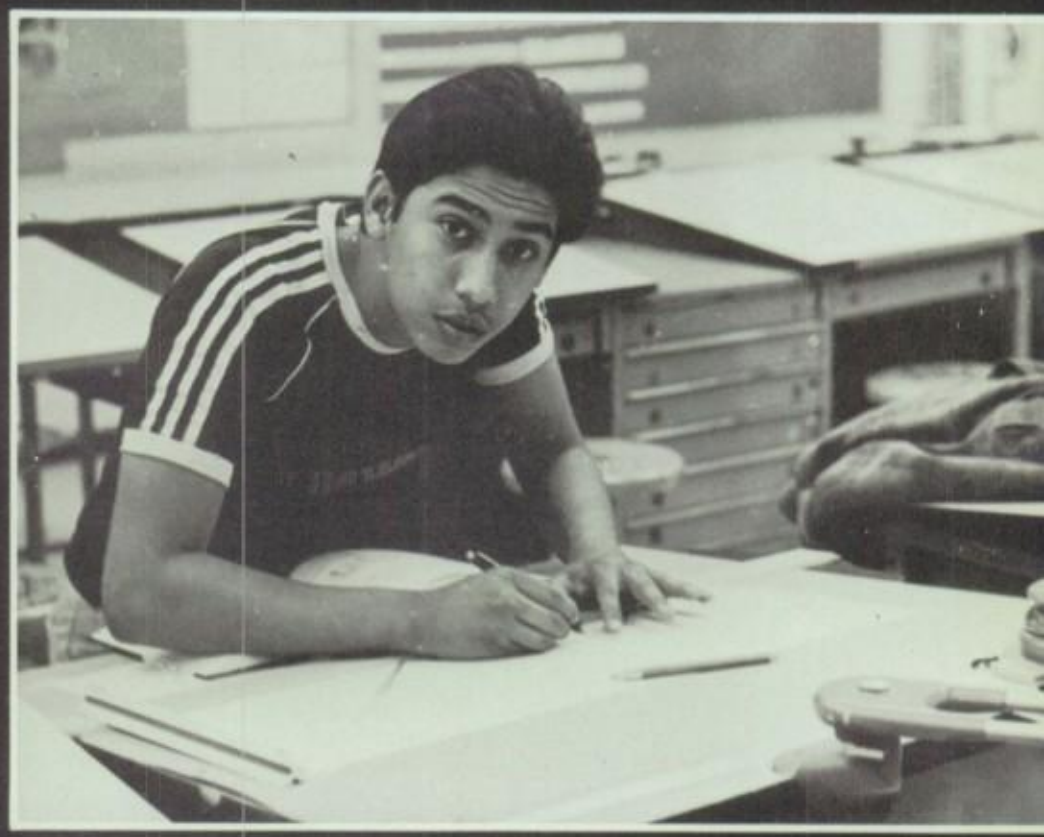
Eldorado has a very large variety of Art classes available to the students. Such as, painting, drawing, crafts, ceramics, art metals, commercial arts and others. Art classes let the student express themselves through what they make with their hands. The art faculty of Eldorado are always willing to make their program better each year, and advance the skills to the students.

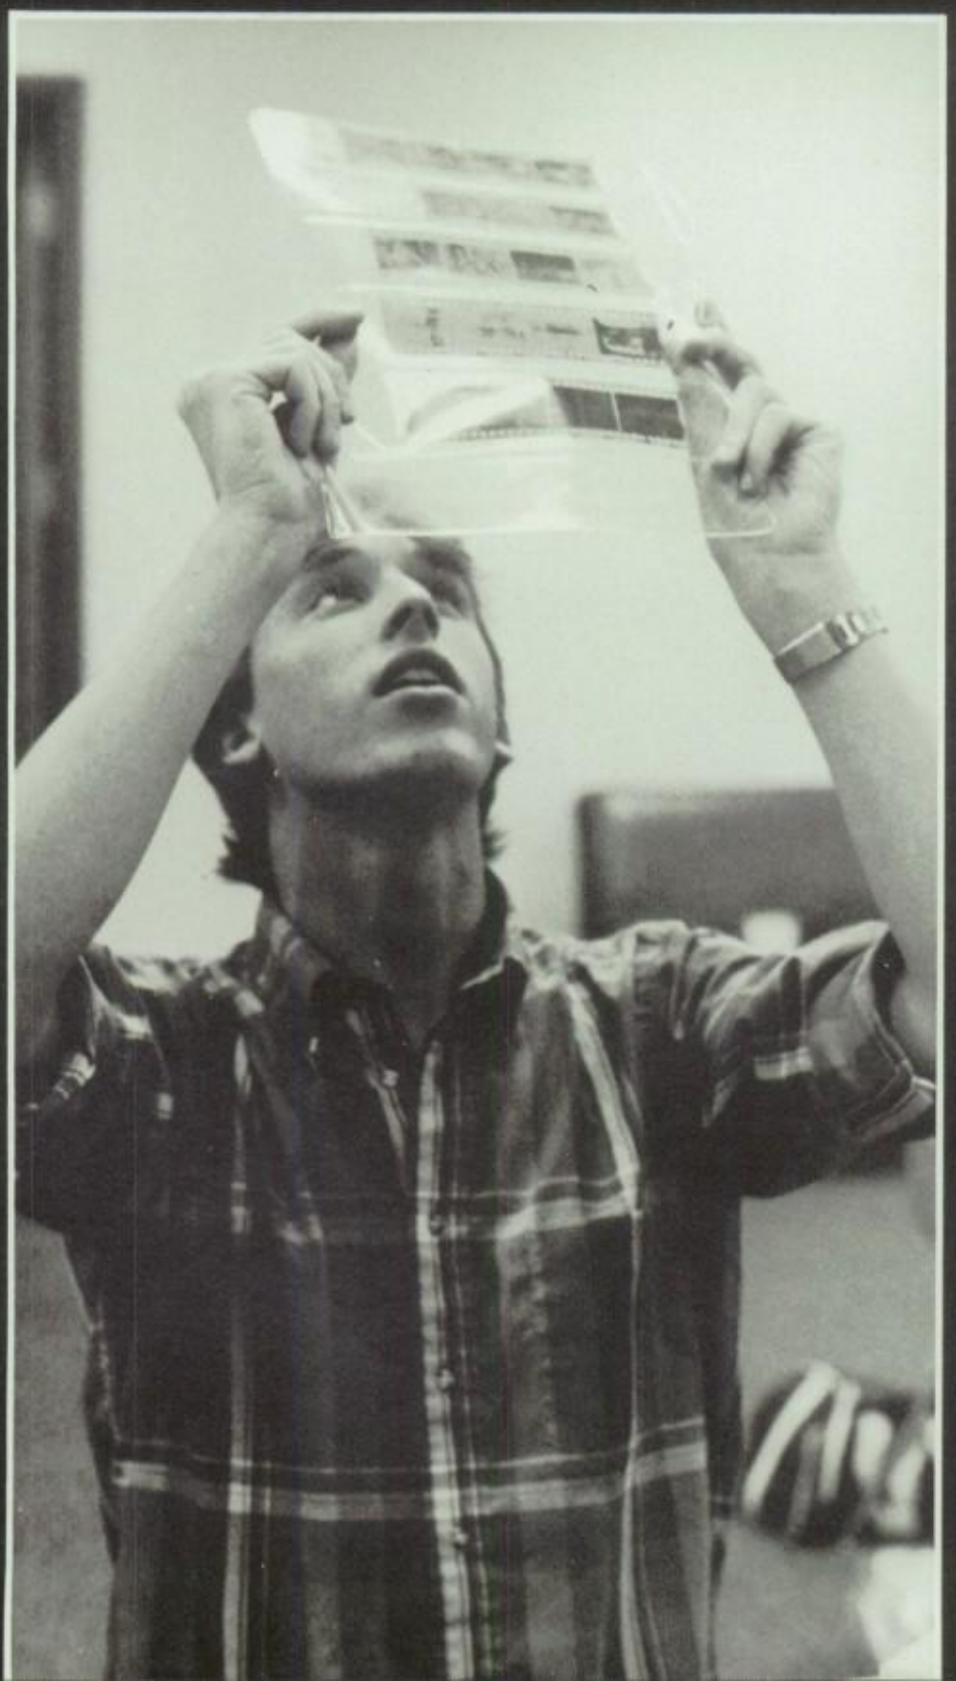




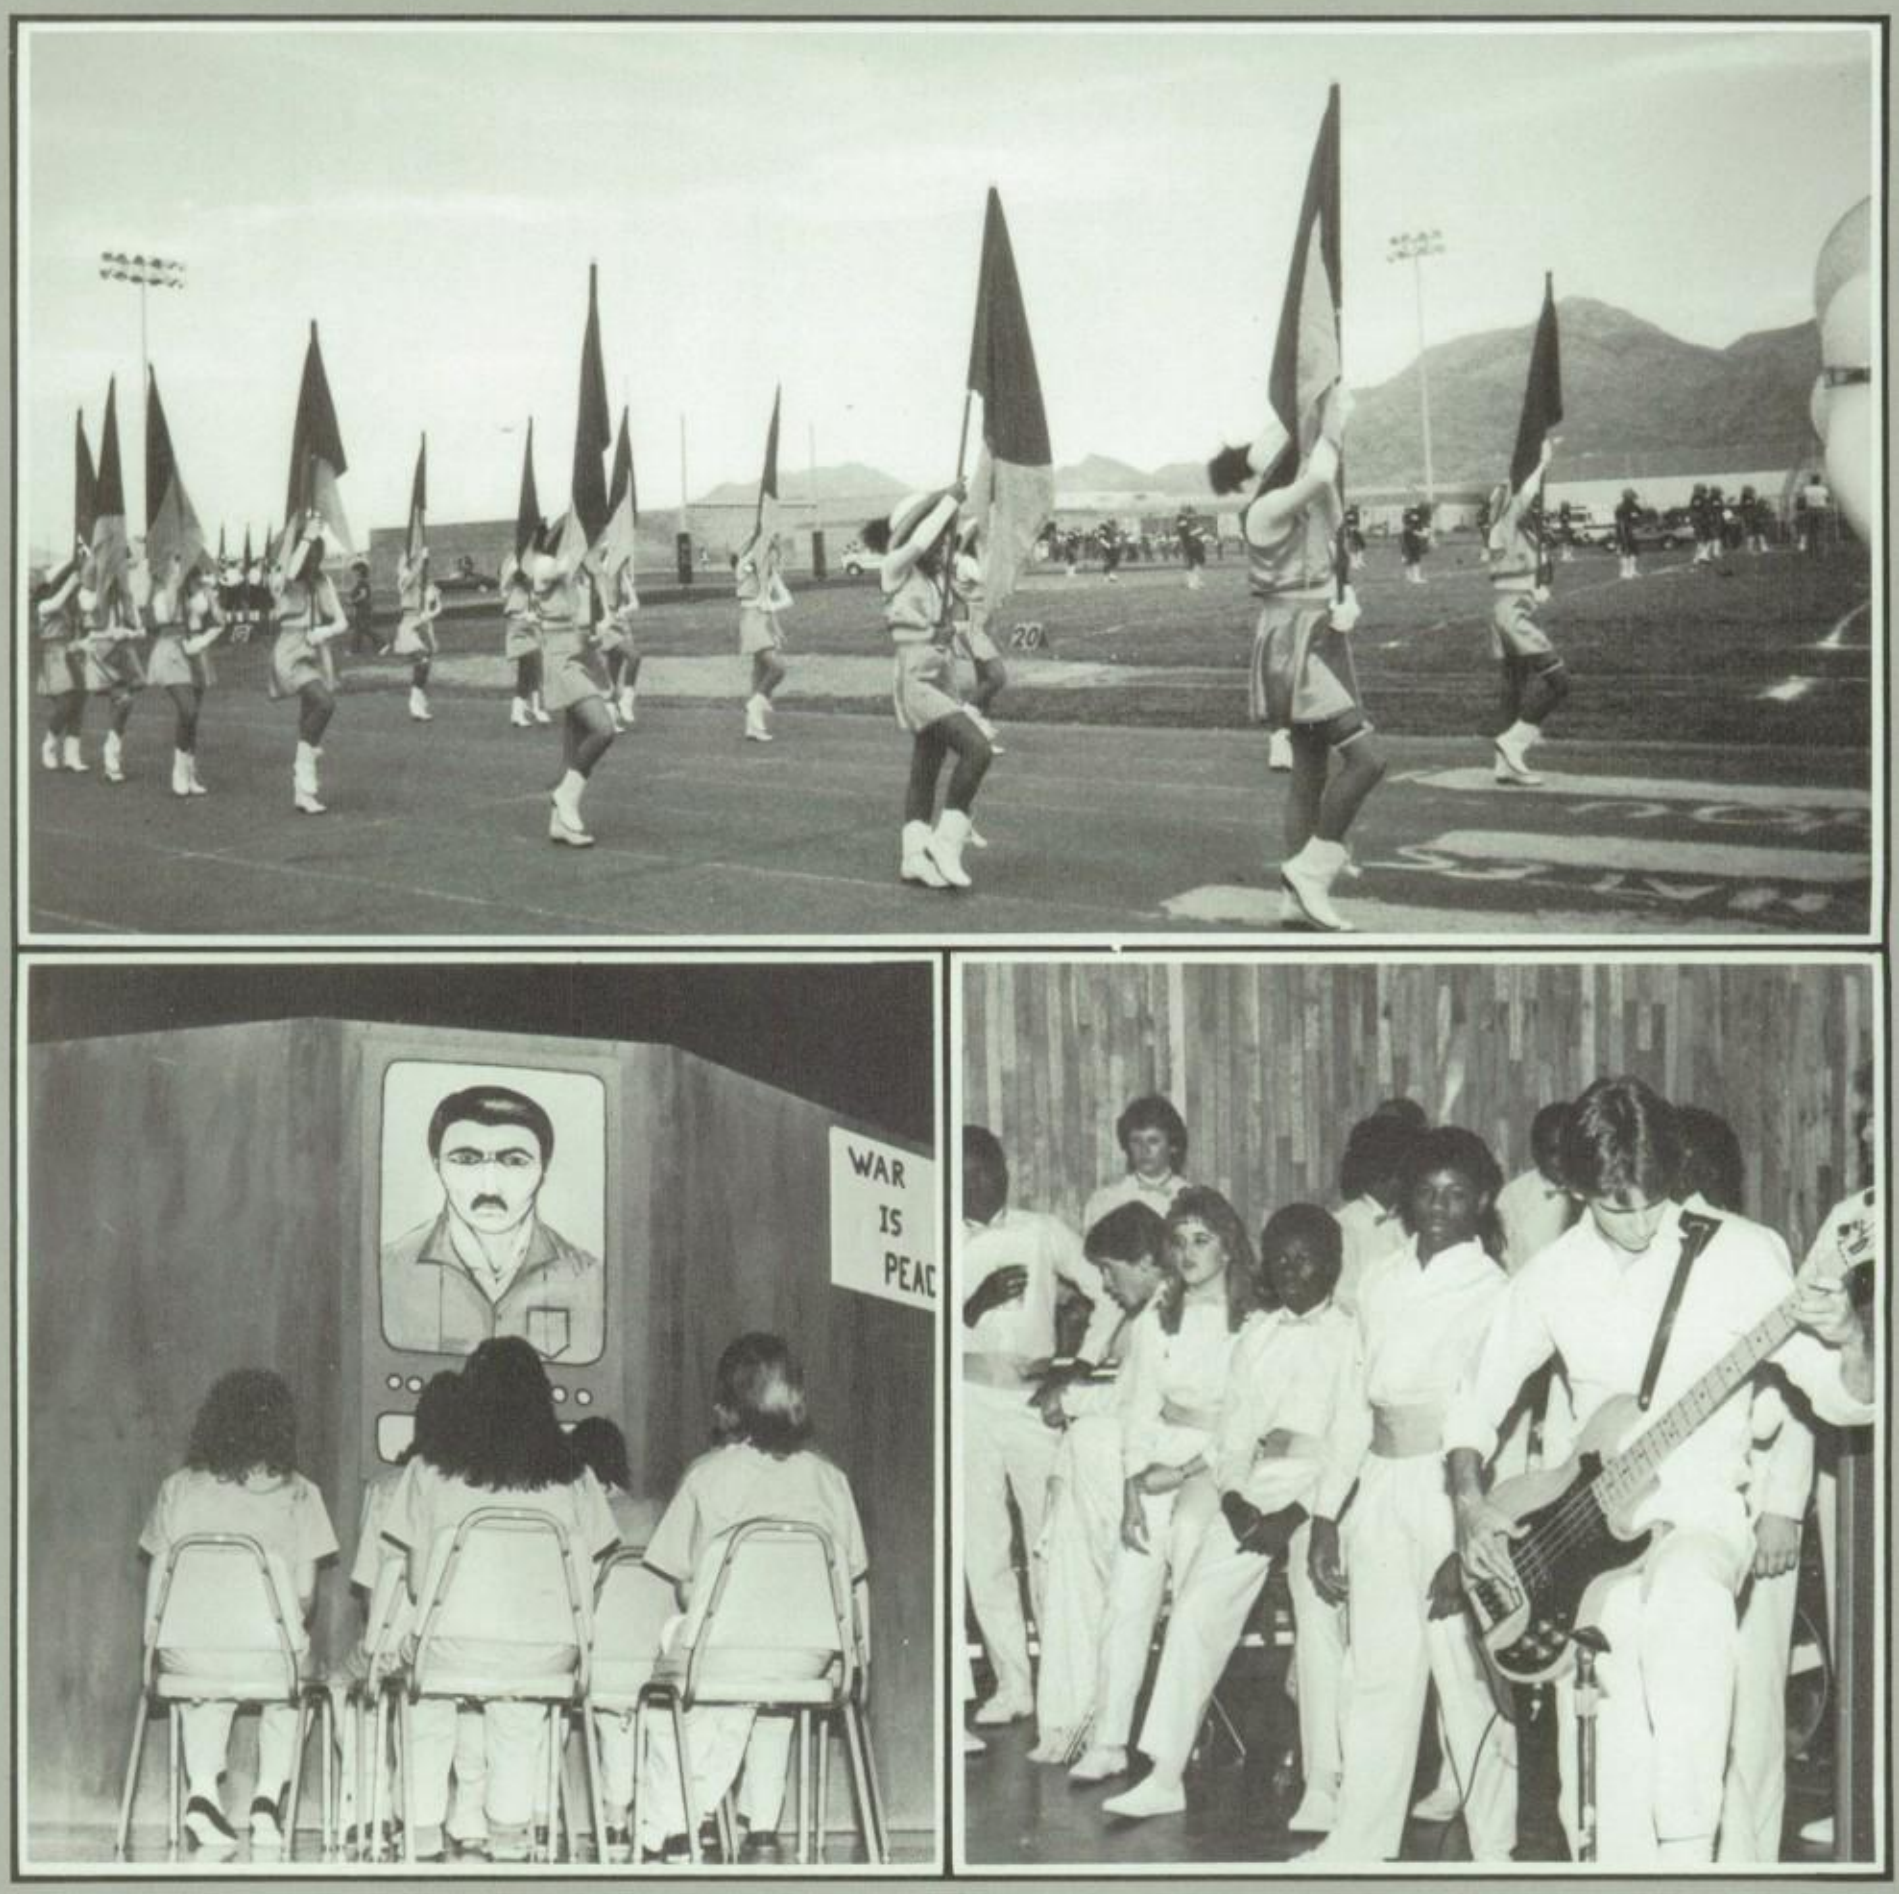
VOCATIONAL ARTS

The Vocational areas at Eldorado are designed to train students to walk out of High School and enter the world of work. In past years when vocational education was mentioned everyone immediately thought of woods, metals, or autoshop; however this is no longer true. Vocational education now encompasses such areas as Home Economics, Business, and Photography. One of the goals of Eldorado is to expand the vocational offerings even futher to encompass as many students can find jobs.





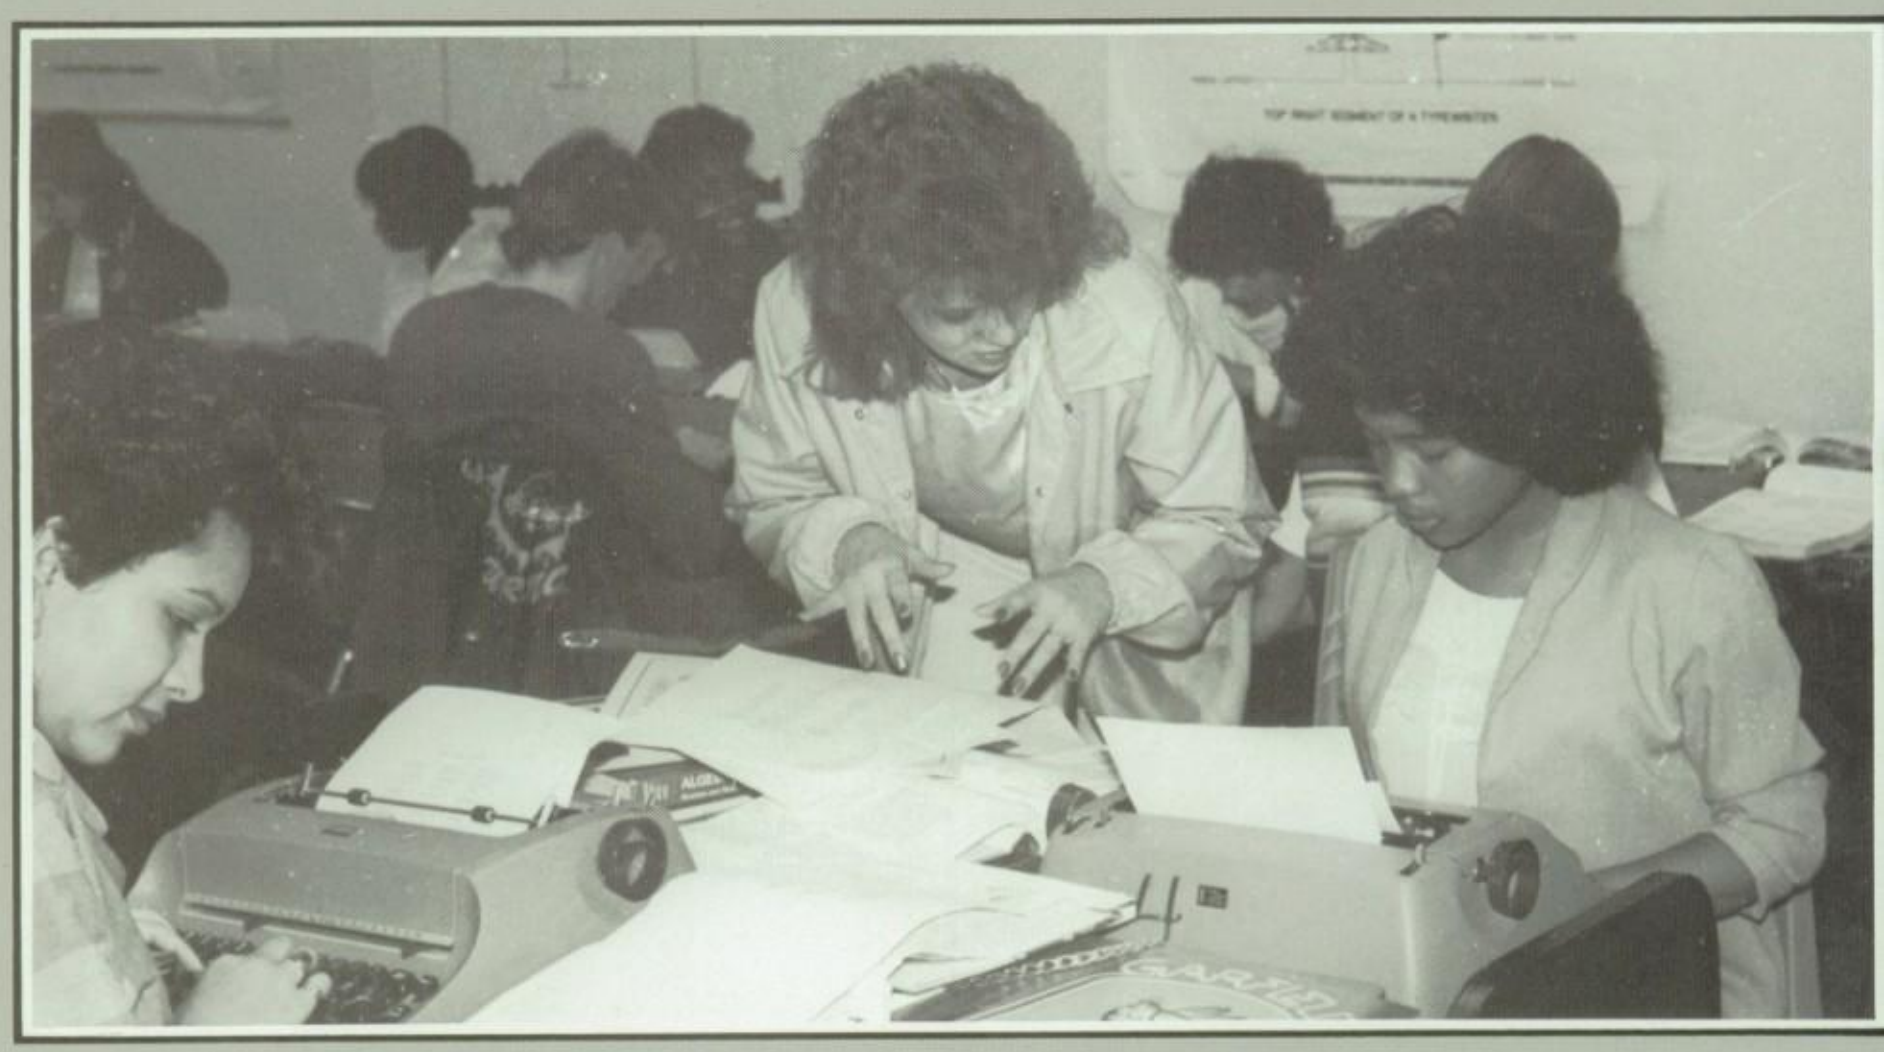
PERFORMING ARTS



The Performing arts are a key ingredient to the success of Eldorado High School. Eldorado has always had enthusiastic participation in the Sundevil Band, Jazz Choir, Concert Choir, Girls' Glee, Madrigals, Sounds of the Sun, Stage Band, and Drama. Being involved in the performing arts guarantees the students lots of hard work and long hours of rehearsing.

BUSINESS

Over the past few years, Eldorado High School's Business department has grown immensely. Instead of just the basic courses of typing, shorthand, and office machines the program has grown to include data processing, computers programing, and secretary procedures. This area also includes a special course, Office Simulations, which prepares students for working in an office.



HEALTH
P.E.

Education is not a process that deals only with the mind. The education of the body is an integral part of a total education. The mind and body must learn together and grow together. At Eldorado High School, diversified skills are taught to round out the physical education of our students. In addition to the better known skills as archery, gymnastics, weight lifting, and rhythemetics are participated in.

Another area of study at Eldorado High School is health. All high school students are required to take a semester of health. This is to ensure that all people who go through public schools have at least some basic personal hygiene education.

Dearest
Tonya,

Well our friendship was great. Its too bad it didn't last very long. Hope we can become good friends again. You have to admit we did have fun. I remember all the times we talked and and you said that we need to grow up. Well you were right and I did. I have an apartment now so you'll definitely have to visit. I dont know why we even drifted but believe me I do miss the phone calls and all the fun. Remember the night George rolled his truck? I do. Fun but imature. I hope you get everything out of life you want. Terry an d me are finally getting it together. Thanx for being there.

Love A friend
Gina Marie Alessi

P.S.
give me a call
we can talk 452-2656

AUTOGRAPHS

TONYA,

FIRST OF ALL I READ ALL OF THE AUTOGRAPHS SIGNED BY THE GUYS AND I'M JEALOUS. JUST KIDDING, BUT TONYA I KNOW WE FIGHT SOME TIMES BUT YOU SHOULD KNOW BY NOW THAT I LOVE YOU MORE THAN ANY THING ELSE IN THE HOLE WORLD AND I NEVER WANT TO BREAK UP. SO YOU JUST QUIT BEING SUCH A ____ "ONLY JOKING."

IM GLAD WERE BOTH GOING TO. TEY ARE HARDEST TO GET ALONG "AREN'T WE TONYA LYNN", DURING SUMMER ITS GOING TO BE BETTER I HOPE "IT WILL BE."

Love

Vivi Lynette

Graduation brings forth the end of another year. The end of my being the Editor of the yearbook. Being the Editor of the "Sunburst" this year was a great experience for me, an experience I will never forget.

I would like to give a special thanks to some people, who without their help, we could not have made this yearbook. Bernnard Williams for taking the special pictures we needed, even at the last minute, and the teachers and administrators for being so patient with our staff.

Speaking of the staff, this year's staff was truly amazing. A "thanks" just won't do for them. I would like to give a special recognition to some of those who did more than their part to make this a great yearbook. Kathy Shammo, Denise Banks, Debbie Dahlke, Wesley Stephens, and Hazel Sorensen were among the OUTSTANDING photographers. You couldn't have asked for more from these people. Dawn Lopez who was always there when I needed her. Her smile and inside jokes made some awfully hectic days easier for everyone. Cindy Murphy did a great job as a Business Manager. Kim Williams was always there. If I had to pay her for all the work she's done, she would indeed be a very rich person. Lulu Kinsey and DeeDee Duke able to do everything. Again, these are truly amazing people.

What can I say about Mr. Pomeroy that people haven't already heard? Mr. Pomeroy has helped me through this year and helped me keep my head on straight through it all. His jokes, smile, and his sparkling personality can help anyone maintain her sanity.

Mr. Pomeroy is one of the most fabulous, heart-warming, unforgetable people I hve ever met. I was truly blessed to have him as a teacher, and more importantly, as a friend!!!

Andi Humenski
1983-84 Editor-in-Chief

Being the Asst. Editor this year has been a really great experience. All the people working on the book this year have really dug their heels into the ground and worked hard to make an unforgetable yearbook that poeple can look back on and enjoy for many years to come.

Dawn Lopez
1983-84 Asst. Editor

In every way, the yearbook is like a puzzle waiting to be solved. The photographers and reporters work together to put those confusing pieces together with much advice from Mr. Pomeroy. I feel Andi has done her best to make this year's edition of the "Sunburst" spectacular — to reflect a world of memories for the year of 1984!!

Tonya. Im glad we
have each other
as friends. Hope it's even
better next year.
I hope you get
a pretty nice
locker! Don't
forget your
combination!
Don't go out with
anyone you don't
want to! Don't
let anyone tell
you what to do!
Party too-but not
too much!
I wish it wouldn't
be so far! Send me
a card sometime
Karen said we must
have a party
this summer. Hope we will be
together and hope we don't
have to go out with some
bitch from algebra
2 yrs. Take care!

Tonya,
Well what can I say? English turned out fun- 2nd hour. At the first of the school year I thought you were stuck-up. You proved me wrong. I hope your modding goes far. Have a great summer- I will

P.S. I will miss your stories about Vince...

Michelle Bryant

Tonya,
I only wish you well. I did, nice to meet you- I'm glad I have had you in class and you've been pretty cool. I'm sorry I didn't seem to be a very nice person but I'm not really like that. I wish you lots of luck and success in everything you do.

Love ya,
Katie

TONYA,

I'M REALLY GLAD WE GOT TO KNOW EACH OTHER THIS YEAR. IN A WAY IT'S A DIFFERENT KIND OF FRIENDSHIP THAN ANY OTHER I'VE EVER HAD. I DONT REALLY KNOW HOW TO EXPLAIN IT, IT JUST IS. WE'VE HAD SOME PRETTY BITCHIN' TIMES THIS YEAR AND WE STILL HAVE TWO MORE LEFT! WELL TAKE IT EASY THIS SUMMER AND DONT FORGET ABOUT ME. IF YOU EVER NEED ANYONE TO TALK TO, YOU KNOW YOU CAN CALL ANYTIME.

Love Always
David #1

Tonya,
You are the nicest considerate girl I have met yet, not to mention the prettiest. Remember all the times I have cut you down, well it was just to get a friendly relationship going. I really do like you a lot.

Love always
